CORE COMPETENCIES

Sake Contracting Inc. is a 8(a), EDWOSB, NYS Minority and Woman Own Certified Contractor, we can contribute to MWBE Utilization targets in compliance with NYS contracts.

- General Contractor
- All interior commercial/institutional alterations for Federal and State agencies.
- Acoustical ceiling, framing, drywall, block work and cement repairs.
- Mobilization and close out of mid to large sized projects.
- Bonding 400,000 single limit/800,000 aggregate.

PAST PERFORMANCE

As a prime contractor: Some of our clients have included **FAA, GSA, SUNY Stony brook, United States Merchant Marine Academy, Local Libraries, TSLI and CHI (Community Housing Innovations both part of NYS grant recipients)**. Some of the services we have provided include but are not limited to repairs at numerous dormitory bathrooms, installation of balcony's at multiple Campus Residences, complete renovations of kitchens, bathrooms, window replacements, cement equipment pads, shaft wall repairs, core drilling, heating, HVAC installs, wall partition and door installations in addition to office renovations.

As a subcontractor: We have provided skilled tradesman for prime contractors with **SUNY and DASNY contracts**. Our trades on these projects have been carpentry, masonry, painting and laborer. The scope of that work included interior demolition, metal framing, sheetrock, spackle, paint, cement pads, block walls, core drilling, clean up and close out.
